

**FULLERTON SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

LYNN THORNLEY

AGE: 50

OCCUPATION: Incumbent

In 2000, I was elected to serve the community of Fullerton as a member of the school board. I have worked diligently over the last four years to guarantee that every child receives a quality education, that our facilities are upgraded and improved, and that our schools are equipped with qualified and trained staff and the appropriate technology to prepare our students for the needs of the 21st century.

My primary goal is to continue to improve student academic performance by setting high goals and providing curriculum that meets current academic standards. We need to continue to expand communication between parents, teachers and the administration to increase involvement and commitment among all the partners in education. Working together, we can insure our children are participating in a quality educational process, that responsible financial decisions are made, and that our schools are safe and well maintained.

I have served the schools and the Fullerton community as a parent, volunteer, PTA leader and President of the FSD Board. I have demonstrated my interest in the quality of education provided to our children. I am knowledgeable, committed and ready to continue to contribute to the district in a creative, positive manner.
